

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2018

**Supplier's name or trademark:** ARKTIC

**Supplier's address:** Hendi BV, Innovatielaan 6, 6745 XW De Klomp, NL

**Model identifier:** 226568

**Use:** Display and sale

**Type of refrigerating appliance with a direct sales function:** Beverage coolers

Cabinet family code, according to the harmonised standards or other reliable, accurate and reproducible methods in accordance with Annex IV.

BCSTn

## Product specific parameters

### 1. Beverage coolers:

Gross volume (dm<sup>3</sup> or L)

Ambient conditions for which the appliance is suitable (according to Table 6)

Warmest temperature (°C)

Relative humidity (%)

126

25

60

### General product parameters:

| Parameter                         | Value  | Parameter                                                                                                                                                                       | Value |
|-----------------------------------|--------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------|
| Annual energy consumption (kWh/a) | 461,00 | Recommended temperature(s) for optimised food storage (°C) (These settings shall not contradict the temperature conditions set out in Annex IV, Table 4, 5 or 6, as applicable) | 4     |
| EEl                               | 43,4   | Energy efficiency class                                                                                                                                                         | D     |

### Light source parameters:

|                         |                                                                                                                                                                                                                                                      |
|-------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Type of light source    | Lighting technology used: LED; Non-directional or directional: NDLS; Mains or non-mains: NMLS; Connected light source (CLS): No; Colour-tuneable light source: No; Envelope: -; High luminance light source: No; Anti-glare shield: No; Dimmable: No |
| Energy efficiency class | G                                                                                                                                                                                                                                                    |

**Minimum duration of the guarantee offered by the supplier:** 12 months
